TO ALL CUSTOMERS

Subject: Declaration of Conformity to RoHS III Directive (2011/65/EU and 2015/863) and subsequent updates

Fixi S.r.l. hereby declares that the materials supplied are fully compliant with the RoHS Directive, in accordance with the most recent technical and regulatory standards, including Commission Delegated Directive (EU) 2025/2364 of 8 September 2025.

With reference to the specific composition of our products, it is declared that hazardous substances are either absent or fall within the permitted exemptions, as in our case:

Annex III, point 6(c): Lead as an alloying element in copper alloys (brass) containing up to 4% lead by weight.

It is also confirmed that our products do not contain polymeric substances such as PTFE or other materials subject to RoHS restrictions not explicitly declared herein.

The updated list of restricted substances is always available at the following official ECHA link: <https://echa.europa.eu/it/restricted-subs-referred-art-4-rohs>

Best regards
